

DESCRIPTION:

The Frog is a water attraction that is recommended to be permanently connected to water supply to create the effect of a small fountain. It works perfectly as an integral part of themed water playgrounds, as well as an independent water attraction. The Frog is an ideal water toy if we want to create a playground similar to a tropical forest. Functional and durable material will ensure safe fun for the youngest for years.

TECHNICAL DATA / mm:

Height:	635
Width:	543
Length:	770
